Owned by Amanda Nicolosi and Alyssa Calderone, our gym is renowned for its commitment to developing strong, skilled, and confident athletes. With a team of 12+ highly trained and dedicated coaches, we strive to instill commitment, teamwork, and perseverance in every athlete, ensuring they reach their full potential both as an athlete and individual. At Just Cheer, setting the standard isn't just a goal—it's a tradition.

COMMITMENT:

Practices:

All Practices are mandatory. Attendance is crucial to the team's success. Each Team will practice 2 days a week.

(Please see pg. 3 for practice duration) Occasional weekend practices will be added throughout the season. Additional camp/choreography days will also be required to attend. Athletes are expected to maintain their skills for the level in which they were placed. This may result in partaking in additional classes and/or private lessons. Athletes are encouraged to participate in extracurricular activities. To ensure the success of our athletes and teams, extracurricular activities may not be a direct conflict with our program.

Competitions:

All Competitions are mandatory. Missing any practice the week of a competition will result in the athlete's ineligibility to compete. Each program will partake between 5-8 competitions. This does not include any postseason events. Travel costs are NOT included in your season 27 pricing. Many travel competitions are known as "Stay to Play" events. Booking outside of the mandated hotels may result in your athletes ineligibility to compete or team disqualification. Hotels and travel packet will be released alongside the competition schedule, mid August 2025.
